Mystery Map of Mayne Island Relic of Past Found in Oak Bay Woodshed

MAYBE it's a map of buried treasure on Mayne Island. If it should prove to be, a gold rush might develop on that peaceful residential isle. So the populace would be very wise to "be prepared."

On McTavish Road in North Saanich there lives a gentleman named Philip Fehler. Like many other retired prairie farmers he moved to this district to enjoy its mild climate and to grow old gracefully. Naturally he wrote back to Saskatchewan and informed his son of the pleasant area where he had made his new home.

So his son came out to the coast to visit his father. Jack Fehler liked it here just as much as his father. He decided to settle on Vancouver Island and his wife concurred in the decision. They sold out their interests in Saskatchewan and bought a home in Oak Bay.

A Wood Shed
Behind the new Oak Bay home of the Fehler's is a woodshed. It's just an ordinary woodshed. Many homes on Vancouver Island are similarly equipped. But when the new owner found time to examine the contents of his new woodshed, he discovered a mysterious cylinder carefully wrapped in heavy burlap. He unfastened the covering and found a map.

A PROTEST IS VOICED

Little Central Saanich, tiny municipality nestled in the rich farming area of Saanich Municipality, was the only voice sounded in opposition to a rate increase by the B.C. Electric Co. at a meeting of the Public Utilities Commission in the Parliament Buildings, Victoria, this week.

Central Saanich was represented by its council head, Reeve Sydney Pickles. His was the only voice raised in protest to the application of the electric company for an increase in service charges.

Reeve Pickles read a comprehensive brief in which he protested strongly against any increase in electric rates to residents of Central Saanich.

The Public Utilities Commission will report on its findings at a later date.

CHEAPER FOOD DOWN SOUTH

Mr. and Mrs. H. J. McIntyre of Vancouver, former publishers of The Review in Sidney, are visitors here with Mr. and Mrs. William Hale.

Looking in the best of health, Mr. McIntyre called at The Review office on Monday. He told of a recent visit he had made with Mrs. McIntyre to Hollywood and San Diego in California.

"There is definitely a boom period in California at present," he said. "As many as 800 families per week were arriving in the San Diego area from other parts of the United States while we were there. The population of California now nearly equals that of Canada."

As a person travels south of San Francisco, he notes that the cost of living drops materially, said Mr. McIntyre. Part of this is due to cheaper agricultural products grown in greater abundance under irrigation.

The former Sidney residents are giving serious consideration to moving back to this area which was their home for so long.

TO CIRCULATE INFORMATIVE CARDS

Cards are to be issued to residents of Central Saanich giving instructions in case of fire. On the recommendation of the fire chief, Art Bolster, at a meeting of the fire committee on Tuesday evening it was decided to issue the cards, printed in the manner suggested by the fire chief.

The remainder of the meeting was devoted to the purchase of necessary minor items of fire equipment.

Now it is presumed that many woodsheds contain maps. But this particular map is a unique one. It is about four feet by three feet in size. It is drawn carefully by hand on oiled silk and is wrapped inside a sliver of wood. It is a map of Mayne Island, carefully prepared in different colors. The workmanship is outstanding.

Main part of the map is drawn to the scale of six inches to the mile. But its corners are devoted to bringing out smaller areas into much larger scale. No detail has been overlooked.

Some early island pioneers are listed as owners of different parcels of land on Mayne Island. Some details follow:

Crown grant in 1879 to J. Heck.
Crown grant to Jas. J. Robson, 1895.

Crown grant to Campbell, 1890.
Crown grant to Fred Robson, 1890.
M. A. Watson to Gulf Stream Ranch Ltd.

Crown grant to Drake, 1880.
Crown grant to J. R. Hett, 1884.

Real Estate Deal
The map shows that a parcel of land was sold by Inglis to M. E. Blair in 1905 for \$100. The latter made money on the deal. He sold it to Garlick in 1906 for \$111.

Other property owners listed on the map include: Melville Collison, Mrs. Maggie Inglis, Mrs. Emma Naylor, Margaret Deacon, Eustace D. Maude, George Georgeson, R. Hall, A. Nicholson, Wm. Deacon and C. J. McDonald.

A property owner named Pike sold some land in 1897 to Her Majesty the Queen. Queen Victoria required this land as a site for a jail. Who she incarcerated in her prison there is not revealed.

The map was revised in 1914 by some gentleman whose name is undecipherable. He did a very good job, however.

Some Early History

Some interesting early history of Mayne Island is listed as follows: Mayne Island, named by Capt. Richards in 1859 after Lieut. Mayne of H.M.S. "Plumper" and "Hecate", lies half way between Victoria and Vancouver. It is credited with being the first place in B.C. to grow apples. Captain Simpson was ordered to the Pacific Coast on survey work and at a dinner party in England on the night before sailing, a lady jokingly slipped a few pips into his waistcoat pocket, telling him to carry them out to his far-off destination and there plant them. The incident was forgotten by Simpson until he arrived off the coast. When wearing the same waistcoat at a formal dinner the pips were found, duly planted and produced apple trees.

Edith Point, Campbell Bay named in 1864 by Richards after a daughter of David Cameron, chief justice of Vancouver Island.

Senior Citizen

MRS. J. W. BRETHOUR

Her 63rd birthday was recently fully celebrated by Mrs. J. W. Brethour, who resides with her daughter, Mrs. Fred Campbell of Palm-Road, Saanich.

The aged lady, certainly one of the senior residents of this district, still enjoys the full use of all her faculties, dresses herself, cleans the home and cook meals. She enjoys reading just as much as she did 75 years ago.

As Miss Jessie McGee she arrived from Scotland in 1882 to visit Mr. and Mrs. Alex McLennan at Beaver Point, Salt Spring Island. Two years later she married the late J. Wesley Brethour and they made their home on the Sidney farm of her husband in North Saanich.

Widowed many years ago, she moved to the Saanich home of her daughter 15 years ago. She has four children: Mrs. Arthur Slater, Alex W. Brethour and Mrs. Fred Campbell of the Alhambra, Victoria, and Robert Brethour, of California.

Horton Bay, after R. J. Horton, in the service of the Hudson's Bay Co. and quartermaster and mate of the "Otter" where he gave much useful information to the surveying officers, hence his name to this bay. Campbell Bay, and Samuel Bay, after Samuel Campbell, surgeon on H.M.S. "Plumper".

Helen Point, after the wife of Joseph W. McKay, chief trader to the Hudson's Bay Co.

Miner's Bay, so named as the half-way camping ground on the canoe journey from Victoria to the Fraser River, during the gold rush in 1858.

A white man, Macaulay, who had been illicitly supplying intoxicants to the survey camps was as a prisoner, being conveyed by the "Active" to Victoria. On the way Macaulay showed the crew a quantity of gold dust received in trade from the Fraser River Indians. The news rapidly spread at Victoria and the rush to the Fraser River followed.

Georgina Point, after Georgina M. Seymour, wife of Admiral S. F. Seymour. Lighthouse built here in 1885 supplemented by a fog alarm in 1889. In August, 1881 at this spot, W. T. Collinson, a settler, unearthed an English penny of 1784 and the remains of a seaman's knife. Capt. Vancouver's boat party camped at this point in 1792.

Hot Debate
Finally the council approved the motion and settled down to a period of debate on the fire department. The debate was marked by a degree of heat that was wholly unseen at the meeting of the fire committee which preceded the council meeting. The reeve finally requested the council to remove the name of Councillor Lorne Thomson from the delegation, to attend the conference of the U.B.C.M. on the mainland shortly, and substitute that of Auditor Ian Ross. The council did not comply with the reeve's request but added the name of Mr. Ross to the list to attend the conference.

The reeve reported that he had not received full co-operation from Councillor Thomson at the recent meetings of the school assessment equalization boards. The councillor refused the reeve's accusation and stated that he had been seeking a smooth way through the problems facing the delegates to that board.

Traffic Hazard
When a letter was read from the Saanich Chamber of Commerce complaining of a traffic hazard on Oldfield Road at its junction with Keating Road, the letter referred to traffic travelling at a normal rate of speed. Works Superintendent T. E. Michell described it as "making pretty good time". Claude Butler had explored the number of drivers who arrived at his house enquiring as to how to get out of his property after inadvertently entering. The junction of the two roads is only apparent from Oldfield Road at the last moment and many cars had shot into Mr. Butler's property. It was this that had led to the writing of the letter by the chamber, reported Reeve Pickles. A checker board sign will be erected by the roads superintendent.

Also referred to the superintendent was the report of a truck lying on the road allowance at Grilse Lane. Council was informed that they can only demand clearing of any eyesore when it lies on the public road. Mr. Michell was instructed to investigate the incident and to furnish a report.

ROBSON NAMED
FIRE CHIEF
AT GALIANO

On Thursday, Sept. 13, Galiano Island held a fire protection meeting at the valley home of D. A. New. P. E. Robson was elected fire chief with E. J. Bambrick, A. E. Steward, D. A. New and E. W. Lorenz as deputies. Crews are needed for the south end, and the rest of the island.

Pump and hose are now on hand and in running order. All that remains to do now is to organize units that can cope with a fire if and when it occurs. The two pumps handled by a trained crew, have a good chance of extinguishing any blaze.

TO PURCHASE
TWO SIRENS

Two fire sirens, complete with accessories are to be purchased by Central Saanich Council from Rossland, B.C., at a cost of \$975. In approving the purchase the council was warned that the present siren in the municipality is the property of Chase River, B.C.

One siren will be erected at the site of the one now in use. The second will be in the vicinity of Mount Newton high school. It is hoped that the two sirens will suffice for the entire municipality.

TRUSTEES ATTEND ANNUAL CONVENTION

Three trustees of Saanich School District No. 63, P. E. Thorpe, Major S. S. Penny and G. L. Chatterton, are attending the annual B.C. School Trustees Assn. convention in Vernon this week. Mrs. K. N. Sparks, secretary of the board, is also at the party.

She's a Good Mudder

The following story of a Sidney family and their horse appeared recently in Keith Matthews' column of the Vancouver News Herald. Sidney is the place where the horse lives and Vancouver is the place where it races. This came from the course at Vancouver.

This is the story of a horse named La Mouche. From rags to riches, if you will.

La Mouche is a six-year-old chestnut mare owned by Mr. and Mrs. Johnny Allen of Swartz Bay. They love the horse, mother her like a child. Sometimes, even the Allens' two little daughters look at their parents sideways, for they feel La Mouche is getting all the care, they none.

La Mouche is by Shasta Pebble out of La Nimba. Nothing there to get excited about. At the best a cheap chance, who will ever give a pot once in awhile, but never enough.

They had reason to laugh, too.

COMPLETION OF TRUCK IS ENDORSED

—By Council

Vote of thanks to Reeve Sydney Pickles and the firemen who assisted him in the preparation of No. 3 fire truck sparked off a heated debate at Tuesday evening's Central Saanich council meeting.

The motion was proposed by Councillor Ray Lamont and seconded by Councillor Harold Andrew. In the cross fire which followed, the history of the council to its earliest days was dug out and aired as question and counterquestion were thrown across the chamber.

Hot Debate
Finally the council approved the motion and settled down to a period of debate on the fire department. The debate was marked by a degree of heat that was wholly unseen at the meeting of the fire committee which preceded the council meeting. Many Changes In A Lifetime

Mr. and Mrs. George Douglas, of Lasqueti Island, were recent visitors at Fulford Harbor, on Salt Spring Island, with their granddaughter, Mrs. L. E. Warburton. They noted many changes since the days of long ago when they both lived on Salt Spring. Both Mr. Douglas and Mrs. Douglas were born at Beaver Point on Salt Spring Island. She is 81 years of age and her husband is a mere 80. They lived there until 1912, when they moved to Lasqueti Island, not so far away. They raised a large family and their sons and daughters today reside in many sections of the district. Both are in good health and enjoying every day. Mr. Douglas still enjoys smoking his pipe. The photograph reproduced above was taken recently at their Lasqueti Island home.

Big Season For Port of Sidney

Customs and immigration staffs of the Port of Sidney are winding up one of the busiest seasons in history of this seaport. It became a customs and immigration centre soon after the turn of the century.

More automobiles, more private yachts and more passengers passed through the North Saanich port this season than in many past years.

Some Statistics
During the period from April to the end of August in 1950, 6,434 automobiles carrying 21,394 passengers arrived from the U.S.A. at Sidney. For the same period in 1951 these figures were increased to 6,621 cars and 22,392 passengers.

During the same months in 1950, 7,579 cars carrying 24,978 passengers departed for U.S. points from Sidney. This year the figures were 6,925 cars and 23,307 passengers.

Remembering that the ferry strike of 1950 in August and September taxed the capacity of the Sidney-Anacortes ferry and that an additional trip was added, the normal traffic carried this season is the greatest since 1947.

Lots of Yachts
Some statistics on the number of yachts which cleared customs here are of interest as well. The following figures show traffic from January until the end of August:

1950
Inbound from U.S.A., 571 yachts carrying 2,265 passengers. Outbound to U.S.A., 647 yachts carrying 2,588 passengers.

1951
Inbound from U.S.A., 755 yachts carrying 3,133 passengers. Outbound to U.S.A., 633 yachts carrying 2,532 passengers.

The decrease in outbound yachts this year is attributable to the international boat race leaving from Vancouver in July. The race is usually run from an American port to a Canadian port.

NEW SCHEDULE ON OCT. 1ST

The summer schedule of the "Cy Peck", ferry operating between Fulford Harbor and Swartz Bay on the Saanich Peninsula, will terminate on October 1 and the normal winter schedule will be resumed. Six round trips daily are made during the summer months whereas only four are scheduled during the winter.

The improved service on this important ferry crossing which went into effect this year, has drawn the warm praise of travellers. Travel over this route has increased by approximately 33 per cent as a direct result of the increased number of trips.

Calling Owner Of Tag No. 87

Many former residents of Saskatchewan are today valued citizens of North Saanich. It seems apparent that one of these Saskatchewan families must have moved to the coast in 1944.

A passerby on Third Street, Sidney, recently picked up a dog tag. It was issued by the City of Yorkton, Sask., in 1944. The dog tag is No. 87.

This valued canine memento is today in the custody of The Review. Its owner, either human or canine, may have some by calling at the newspaper office.

Transferred

C. W. Dawson

C. Wilbur Dawson, manager of the Bank of Montreal, Changes, has been transferred to White Rock, B.C., where, with Mrs. Dawson and family, he will take up residence in two weeks.

Mr. Dawson came from Duncan three years ago next November at the time the Changes branch was opened. The position at the Changes branch will be taken over by Howard Chalk, Vancouver, formerly of Victoria.

Members of the Salt Spring Island Chamber of Commerce are sponsoring a dinner on Friday, Sept. 26, at Harbour House as a farewell to their president, Mr. Dawson, and to Mrs. Dawson.

A veteran of the First Great War, the banker has been active in servicemen's activities on Salt Spring Island.

BLOOD CLINIC IN SIDNEY ON MONDAY

—Donors Invited

Final arrangements completed for the holding of the Red Cross blood clinic at the Knights of Pythias Hall in Sidney on the afternoon and evening of Monday, Sept. 24 will ensure that not one person in Central Saanich and North Saanich, between the ages of 18 and 65, will not be able to give blood.

The clinic has been widely publicized. The mobile team will be in the Sidney hall from 1.30 to 4.30 p.m. and from 7 to 9.30 p.m. and a minimum of 300 donations is desired. If 500 or more donors present themselves, their blood will be welcomed by the Red Cross.

All this week a Red Cross film is being shown at the Gem Theatre in Sidney. It is a further reminder to theatre patrons of the date of the clinic next Monday.

Special Telephone

Don Smith, Sidney customs official, is chairman of the Rotary Club committee which is sponsoring the clinic here. He has arranged to have Sidney telephone No. 302M manned all day. Every resident of Central Saanich and North Saanich who can not readily secure transportation to the hall is urged to call this number and arrangements will be made for transportation to the clinic and home again.

Red Cross leaders are most anxious that the clinic be largely attended because there is an urgent need for blood today for civil defence purposes and for the armed forces.

NEW WHARF FOR MAYNE

Ferry wharf at Mayne Island will be repaired and a new one will be built shortly.

Because of the condition of this wharf, the C.P.R. vessel which serves Mayne Island and other Gulf centres, has not been docking at Mayne in recent weeks. As a result a real hardship has been suffered by residents of the island.

Residents of Mayne, who protested vigorously to the federal government, have now been advised that the federal department of public works will proceed without delay in repairing the existing wharf. It is presumed that essential ferry service can be resumed as soon as these repairs are completed.

Meanwhile tenders will be called for an entirely new wharf in October. It is considered likely that the government will proceed with this construction project with all haste.

T. WALLACE WINS CONTEST

Stripping contest staged by members of the North Saanich Rod and Gun Club at Sidney Spit on Sunday proved entirely successful, some good catches being reported.

Top honors went to T. Wallace, of Shoreacres Road. He caught the largest and second largest salmon of the day, his catches weighing in at 9 lbs. 5 ozs. and 8 lbs. 2 ozs. respectively. In second place was R. A. Sanbury, of Lochside, with a 6 lb. 7-oz. specimen.

Ladder Derby
The club's salmon ladder derby will continue until the end of September. Many new fish are being entered almost daily in the competition. Following is the standing of the "Big Five" at present:

N. Shillito 41 lbs. 9 ozs.
D. Butler 14 lbs. 8 ozs.
R. A. Sanbury 14 lbs.
R. A. Sanbury 12 lbs.
D. Butler 10 lbs. 8 ozs.

PREPARE SITE
Site of the new Central Saanich Municipal Hall is now being levelled preparatory to calling for tenders.

Brentwood W.I. Tea Is Success

The Brentwood W.I. held a successful tea and sale on Saturday last. Mrs. R. Ronson welcomed the guests. Tea was served by Mrs. C. Douglas, Mrs. M. O. Goodman, home cooking, Mrs. G. Moody and Mrs. J. Lyell; fancywork, Mrs. M. C. Watts, Mrs. H. R. Townshend; greeting cards, Mrs. E. Woodward; games, Mrs. M. Hamilton.

Members assisting included: Miss R. Donald, Mrs. J. Combie, Mrs. T. Haddon, Mrs. A. Lionel, Mrs. F. K. Littlewood, Mrs. Wannamaker, Miss Worthington, Mrs. Geo. Williams.

Miss Donna Moody played piano selections during the afternoon.

The Misses Linda Andrew, Louise and Harriet Forsberg, Ann Knott, Daphne Shuggett, assisted at the tea tables which were tastefully decorated with autumn flowers.

Mrs. R. Ronson, president, who is leaving on a trip to England on Tuesday, was presented with a gift from the members.

No social meeting will be held this month.

Central Saanich School Tax Recommendations

A number of recommendations were made in the brief presented by Central Saanich Municipality to the School Assessment Equalization Board last week. The board is now studying the proposals made for a change in assessment for school taxation of Saanich and Central Saanich Municipalities and North Saanich.

Following table shows the recommendations of Central Saanich which would increase the school taxation of Saanich Municipality and North Saanich:

	Proposed Central Saanich	Re-Allocation of School Cost for 1951	North Saanich	Original Allocation	North Saanich
A. Allocation of Equalization Assessment					
Total Assessments (Land 100% Improvements 75%)	\$2,024,000	\$2,141,000		\$2,024,000	\$2,141,000

INDUSTRIES ARE INVITED

When an application for permission to erect a lumber mill on the Saanich Bay was received by Central Saanich council, both Reeve Sydney Pickles and Municipal Clerk J. W. Ismay observed that in the absence of a zoning by-law the council was powerless to prevent the construction of the mill, even though the residents of the district

TO VISIT OLD HOME AT ST. CASIMIR

A Lacoursiere, of Saanichton, will leave next week for a visit to his old home town of St. Casimir, Que. He has not been home for 27 years.

He was wholly in opposition to it.

D. S. Polson asked for the permit to construct a new mill on his property near the east end of Mount Newton Cross Road.

In endorsing the proposal Reeve Pickles observed that it should be made clear to all industries that Central Saanich invites all types of industry to the municipality.

Mrs. Wm. McLeod, East Saanich Road, and Mrs. D. Wells, Stelly's Cross Road, on Sunday last joined the teaching staff of Shady Creek United Church. Preparations are being made for the Canada-wide Rally Day of Sunday schools for September 22.

Week-end guests at the home of Mr. and Mrs. G. R. Smith, Verdier Ave., were Mr. and Mrs. Wilbur Lawrence with their children, Elaine and John, all of Embro, near Woodstock, Ontario. The family motored out, travelling mostly on the Canadian highways. The return trip is by way of Anacortes and the U.S. routes to the east. Mr. Lawrence is a nephew of Mrs. Smith.

Mrs. Potts, mother of Barney Potts, is a visitor at the home of Mrs. Wm. Leith, Beach Drive.

Mr. and Mrs. Wilson, Gowdy Road, will leave shortly to spend the winter visiting old friends and relatives on the prairies and as far east as Ontario. Mr. and Mrs. Pat McGahey will occupy the Wilson house during their absence.

Special Edition Of Sydney Paper

LT. J. E. Mason, of Denecross Terrace, Sidney, who is serving in eastern Canada with the R.C.N., has been travelling through the Maritime provinces for several months.

Last week he forwarded to The Review office a copy of the Post-Record of Sydney, N.S. The issue, dated July 28, marks the 50th anniversary of the nearby town of Glace Bay.

The occasion was particularly significant, says the Post-Record, in view of the growth of this east coast mining community from 2,000 inhabitants in 1901 to a population today of around 30,000. Four collieries operating in the town limits, adds the eastern newspaper, are the four largest coal producers in Canada.

Treatment—Unemployment Supplement Recipients

P.C. 3712, dated July 18, 1951, amends class 5 of the treatment regulations and provides that veterans in receipt of the Unemployment Supplement may be furnished treatment, in Canada only, in Departmental institutions under Departmental Medical Officers, subject to the prevailing conditions of class 5.

Treatment may be furnished in other accredited Canadian hospitals under approved medical or dental practitioners where by reason of unusual circumstances it is imperative that this be done.

Departmental approval must first be obtained for such treatment in other than departmental institutions.

This amendment restores certain treatment benefits under class 5 that some veterans may have lost in giving up small awards of war veterans allowance to receive the unemployment supplement. As recipients of veterans allowances they held certain treatment rights not available to pensioners.

This new amendment also broadens the treatment regulations by making it possible for pensioners to obtain certain treatment under class 5 that as pensioners only they were not previously eligible for.

Under class 5 (a) treatment is not provided for tuberculosis (ordinarily treated in tuberculosis sanatoria), mental disease, alcoholism, or drug addiction. There is no restriction under class 5 (b) which applies to recipients of war veterans allowance. This new class 5 (g) established by this P.C.O. is similar to class (b). This amendment is effective from June 1, 1951.

A COMMUNITY TEST

PATRIOTISM of residents of North Saanich and Central Saanich is on test next Monday. A Red Cross blood clinic will be held during the afternoon and evening of Sept. 24 in the Knights of Pythias Hall in Sidney. Will 300 or more public-spirited people present themselves as donors? The answer will be known by Monday evening. We're satisfied that it will be answered affirmatively.

Suppose only 1,000 persons agree today to attend the clinic. Of that number perhaps 400 will decide not to bother when Monday comes. Instead they'll decide to go fishing or hunting or just stay home and read a magazine. That will leave 600. And suppose that half of this remaining 600 forget all about it because they haven't taken the trouble to note the date. That would still leave 300 which is the minimum number to make the clinic a success and permit this part of the Peninsula to hold up its head with the rest of British Columbia.

The objective can be reached, we're certain of that. Everyone between the ages of 18 and 65 is eligible. Those who have no transportation will be driven to and from the clinic by simple phoning 302M and requesting a ride.

It's simply a case of reaching a decision today and planning right now to attend Monday's blood clinic.

WHAT HAS HE TO HIDE?

FOR many months past, The Review has been carrying out its responsibility to its readers by reporting on the news developments in Central Saanich Municipality. It makes no apology to anyone for this perfectly normal procedure. Moreover it plans to continue this orthodox practice in the years which lie ahead.

We were accordingly dismayed to learn that Councillor Lorne Thomson of Central Saanich objects to us carrying on our normal business of publishing news. If the good Councillor is opposed to such conduct on our part, it can only be because he has in mind something which he wishes to hide or conceal from the public at large. There can be no other reason.

To a responsible servant of this newspaper, Councillor Thomson declared that The Review was exceeding its responsibility in connection with news publication. He did not make it clear in what way he considered we were erring. He threatened, however, that the policy The Review is following of keeping the public informed of news developments in the municipality would speedily lead to loss of circulation in the municipal area.

Councillor Thomson went one stage further. He charged, specifically, that The Review "always supports Pickles." We presume he was referring to Reeve Sydney Pickles of Central Saanich. Everyone residing on the whole of the Saanich Peninsula knows that Reeve Pickles and Councillor Thomson hold differing opinions on many subjects but we're unable to account in any way for such a ridiculous charge.

Let us review certain definite facts which Councillor Thomson must have known when he made his ridiculous charge. There has been only one election for Reeve in Central Saanich Municipality. The Review did not support the candidature of Sydney Pickles. But Lorne Thomson did. The Review did not elect Sydney Pickles as Reeve. But the people of Central Saanich did. Mr. Pickles had one opponent in the municipal election. His opponent was also a well-respected citizen of Central Saanich. And The Review would like to state right here and now that we hold great admiration today for the way in which Percy Thorp has kept to the sidelines since the election and interfered in no way with the conduct of municipal business by the council. But let us emphasize again—The Review supported no candidates in the municipal election.

Now to get back to Councillor Thomson's charge. The people of Central Saanich elected Sydney Pickles as their first Reeve by a thumping majority. The Review has since treated the gentleman with the respect due the dignity of his position as the head of the Central Saanich Council. And we'll always do so, regardless of whether this pleases or displeases Councillor Thomson. If Lorne Thomson is elected the next Reeve of Central Saanich, he can be assured of the same respect from The Review which has been accorded the present incumbent.

Practically every meeting of the Central Saanich Council has been "covered" by a reporter in which The Review places implicit trust. His only instructions have been to report meetings fairly and without bias. We have no reason to believe that he has failed to carry out his instructions in any way. Other news of the municipality has come from direct statements by the Reeve and Councillors. If such statements can assist in the dissemination of information of value to residents of Central Saanich, The Review is happy to print them at any time. Last week's issue set out the views of Councillor Thomson and other Councillors with regard to fire department operations. We will always welcome informative statements of general interest.

Let us suggest this to Councillor Thomson. Two politicians of modern days assisted their own schemes by "muzzling" the press. One was the late Reichsfuehrer of Germany. Another today rules the U.S.S.R. Let us thank God that Central Saanich is located geographically in a country where true democracy and the freedom of the press have never been questioned.

Councillor Lorne Thomson and The Review are both native sons of this Peninsula. When The Review was born, the Councillor was a young man. They have grown in beauty side by side. But if Councillor Thomson sets out on a policy of denying press freedom in Central Saanich, The Review will be serving that municipality long after the Councillor's political death knell has been sounded.

From Reeve Pickles and Councillors Harold Andrew, Ray Lamont and W. W. Michell, The Review has never received anything but courtesy and consideration. These gentlemen have earned the continued respect of more and more people as their periods of office develop. We sincerely hope that Councillor Thomson will cease his unwarranted attacks on this newspaper and that The Review and the entire Central Saanich Council will live happily ever afterwards.

Reflections From the Past

20 YEARS AGO

Well known firm of Rankin and Sons, trading here as the Sidney Bakery, has sold out this week to Mr. and Mrs. H. B. Trimble. The new operators, who have been connected with the bakery trade for many years, come from Drumheller in Alberta.

Leslie McLennan arrived from Portland, Oregon, on Saturday, to spend a holiday with his parents, Mr. and Mrs. Alex McLennan, at Beaver Point.

The committee of the re-organized Salt Spring Island Development Association met at the home of A. J. Eaton, Ganges, recently. Norman W. Wilson was elected president. Serving with him on the executive are William Mout, vice-president; A. J. Eaton, secretary-treasurer. Roads and telephones were the main topics of discussion.

Announcement has been made by Hon. R. W. Bruhn, minister of public works, that the East Saanich Road and West Saanich Road are to be widened to 28 feet. Shoulders on each side will be increased to five feet and will be built up to be a uniform part of the main part of the highways.

North Saanich Amateur Dramatic Society, meeting at St. Augustine's Hall at Deep Cove recently changed its name to North Saanich Little Theatre Association. Two plays were selected for presentation during the coming season. Colin Frame gave a very interesting reading of one of them and roles were later allotted by Mrs. Reese Burns.

Mrs. W. Miller Higgs entertained at dinner at her Galiano home last Sunday. Her guests included Mr. and Mrs. Archie Higgs, Miss Audrey Mills and Miss Frances Lightbody.

Mrs. A. E. McLean left Pender for Vancouver on Monday. She was called away by the sudden death of her brother, Del Murray.

When will prices be lower? Now is the time to jump in and buy.—Advt. Sashes, \$1 up; doors, \$3.50. All work guaranteed. J. Matthews, Third St., Sidney.

Miss K. Lorenzen and W. McIlmoyle were the winners at bridge at the weekly North Saanich Service Club card party on Saturday evening.

25 YEARS AGO

Mr. and Mrs. M. Norton, who motored up the coast from Los Angeles,

paid a surprise visit to Mr. Norton's brother, Walter Norton, at Ganges. Mr. Norton lived here for many years and left for the United States nearly 15 years ago. This was his first visit. The visitors will return shortly to the California home.

Miss Lundy, from South Pender, has come to stay with Mrs. G. Maude at Comfort Cottage, Mayne Island.

Clos McTavish, of Victoria, was a visitor to his Breeds Cross Road home on Sunday.

Pender Island Parent-Teacher Association met last week after an interval of almost three months. Plans were made for the winter's work. Miss Small was appointed secretary and Miss Horner treasurer. At the invitation of Mrs. S. P. Corbett, past president, the October meeting will be held at her home.

On Saturday, Mrs. Twiss entertained at her Galiano home in honor of the 10th birthday of her daughter, Barbara. Those present at the tea party were Mrs. Gilmour, Miss Alice Lee, Mr. Smith, Mrs. Scoones, Mary, Betty and Billy; Norah Shopland, Betty Lord, Lilian Moir, Mrs. Patience, Dorothy, Edwina Morgan, Miss Pellet, Myrtle Bambrick, Rosamund Murcheson.

Mrs. Barker, who has been visiting her son, Cyril Barker, at his Breeds Cross Road home, has returned to Victoria.

Dr. and Mrs. Rose and Miss Clare Rose, of Mayne Island, were visitors at Pender Island on Saturday.

Miss Olive Heritage, who spent the summer visiting her parents at Deep Cove, has left for Vancouver to resume her studies at the University of British Columbia.

Mrs. J. McDaniel, who has been visiting with her parents, Mr. and Mrs. J. J. White, at Sidney, for the summer months, has returned to her home in Seattle. She was accompanied by Mr. McDaniel, who spent a few days here after a summer in the north.

Wilfred Douglas arrived at his home on Burgoyne Bay on Sunday. Miss Hazel Fletcher, of Saanichton, spent the past week at Deep Cove, the guest of Mrs. C. Moses.

Letters to the Editor

DISAPPOINTED

Editor, Review.

Sir:

As a ratepayer who voted for Reeve Pickles, I am disappointed. I have heard at numerous Central Saanich council meetings and have read in The Review, statements by Reeve Pickles wherein he says that he "receives a deplorable lack of co-operation from three councillors".

As the council consists of four councillors and the reeve, the vote of any three councillors, in my opinion, constitutes a majority and the reeve's voting in such a case is unusual and unnecessary. It is the duty of the reeve to co-operate with a majority vote in the council, not the duty of the majority to co-operate with the dictates of the reeve invariably supported by the same councillor.

To conduct municipal business efficiently the reeve must learn to accept the views of the councillors graciously. They are our elected representatives. The reeve repeatedly subjects them to lengthy harangues before and after voting. To quote him on a recent motion by Councillor Lamont, in asking for a seconder the reeve told the councillors "If you deny me this, you do so at your peril." Is this democracy?

It is impossible to hold harmonious meetings when the reeve's incessant talking makes it necessary for the councillors to interrupt in order to give their opinions. The reeve's flow of English does not necessarily give him a monopoly on the brains in the council. It should

be pointed out that the reeve and council have co-operated in a great majority of issues but as soon as a majority of the council does not agree with the reeve it is called, to quote, "a deplorable lack of co-operation" and a "travesty of democracy".

Is this democracy?

TWO TO ONE

Editor, Review.

Sir:

For a number of years the North Saanich area has had two constables to take care of the police requirements of the area. Last night I had occasion to want to get in contact with one of the constables. On phoning one, I was told he had moved to another district, and the other did not have a telephone. As it happened my requirements were not urgent.

It does not take much thought to figure what this would be should it have been an emergency call, say in the middle of the night. Would it be necessary to phone Victoria for the services of the police? Of course the district may be a model district and a constable's services never required after office hours. I would think a residence telephone should be an essential part of the constable's equipment. When we had two millions of the law they both had telephones.

Too Much Heather

(Ottawa Citizen)

Chief Flora MacLeod of all the MacLeods has had a heart-stirring welcome from the clansmen in Canada. From Montreal to Ottawa to Dunvegan in Glengarry County, she has heard a triumphant succession of hails to the chieftain, with bagpipes and all; and there is much more of the same in store for her before Mrs. MacLeod returns to the Isle of Skye.

Non-MacLeods (the pitiable creatures) as well as those entitled to wear the MacLeod tartan are happy that the chieftain is here in Canada. Her engaging personality has charmed all who have met her—and these are not all clans folk. But is it out of place to wonder whether Mrs. MacLeod is getting the most out of her Canadian visit? After all, she can listen to the pipes all day long, back at Dunvegan Castle, if she is so minded. Just a morsel of non-Caledonian fare might give some pleasant variety. Perhaps the chieftain herself would like to take home memories of how, for instance, "Alouette" can be sung. "The Road to Isles" she can hear any day.

Drink With Dignity

(Sudbury Star)

Canadians have yet to learn how to drink properly. Too many drinkers continue to swiggle at the bottle long after they have passed the point where they know if they are drinking water, kerosene or liquor, or a mixture of the three liquids.

If prohibitionists are sincere in their efforts to cure Canada's drinking evils, their energy might be better expended in education aimed at instructing Canadians to drink with dignity.

chased property at Roberts Bay and has started the construction of a house. James Ramsay, principal of Sidney school, has also secured property at this delightful location and contemplates building in the near future. We understand that J. T. Mr. and Mrs. Lane, who have been residing on Galiano Island for the past few years arrived in Sidney last week and have taken up residence in the Gherke property on Third St. Mr. Lane returns to Galiano in a few days.

Miss Mildred Baxter, of Mout Bros. staff, returned last week after a few weeks in Victoria.

J. A. W. Fraser, who commenced drilling for water on his place last week, struck water at a depth of 65 feet. Mr. Fraser is now drilling on the property of George Clark.

Mr. and Mrs. Robert Sinclair, who have been spending a few weeks at the home of Constable and Mrs. Rogers, of Salt Spring Island, have returned to their home in Sidney.

The Review's Book Review

"THE SEA AROUND US", by Rachel L. Carson; Oxford University Press; 230 pp.; \$4.

From the first day he attends school until he is let out into the world to correlate the theory he has learned with the practice he is to gain, the school boy learns of the history of the lands of the earth.

His religious instruction offers him an insight into the history of the ancient countries of the Middle East. His acquaintance with the legends of the old civilizations, Greek, Roman, Egyptian, Scandinavian, all teach him the history of the development of the old world.

In the course of the years he learns of the discovery and gradual conquest of new countries. The sailings of the old mariners are unraveled before his eyes. Perhaps they weary him. On the other hand they may prove more than thrilling. Nevertheless, throughout the days of his learning he is becoming more and more acquainted with the world around him and beyond the seas.

Even in this age of valueless literature the child who can make sense out of juvenile writings of today can learn of the western states of America and their early lawless days. He can be still better educated from cheap literature than could be his father, for he can gain authentic information regarding conditions prevailing on non-existent planets outside our orbit.

All his life the boy and later the man is learning ever more about the lands and countries of the earth. And all that he knows of the sea is that if you fall in and cannot swim you gain a place in the obituary column.

This book remedies the sad, gaping hole in the education of youth. Instead of paragraph upon paragraph devoted to the history of lands beyond the seas, the author has halted her journey at the water's edge and proceeded on the bed of the sea, instead of floating, suspended above it.

The book takes the reader into the pages of unrecorded history as the reader watches the formation of the seas and land areas, millions of years ago. The story of those wastes of water is unfolded as the story progresses.

REEVE PICKLES REPLIES TO CRITICS OF HIS RECENT ACTIONS

Replying to the statement by three of the Central Saanich Councillors, in last week's Review, regarding their Volunteer Fire Department, Reeve Sydney Pickles said in a press statement:

"The statement, which it is to be noted is unsupported by Councillor Lamont, by the trio of councillors who have caused a great deal of difficulty in the administration of our new municipality, is misleading and in my opinion smacks of political activity as two of these councillors must vacate their seats in December next.

"It is expected that they will be seeking re-election and they appear to think that scrapping with the reeve will demonstrate their independence. Whilst on occasions I have received varying degrees of support from certain members of the trio their general attitude has been obstructive.

"I have not at any time made any attack on our excellent fire department, as charged by the trio. On the contrary I have personally contributed a great deal to this department and many of my friends are its active members. Its efficient operation is greatly admired. My statement referred to a certain number of its members who are well known both inside and outside of the fire department. It said: 'Unfortunately our volunteer fire department contains a certain number of disgruntled municipal politicians whose candidate for reeve lost out in our last municipal election. They have carried on, under cover, a continuous anti-Pickles campaign.'

"Our fire department business should have been kept strictly free from municipal politics and this does not mean a spineless unenforced proclamation that no politics are allowed.

"No reference or implication affecting our fire chief was made by me, as may be inferred from the councillors' statement. The fact that the firemen, at a recent meeting of their association, passed a unanimous vote of confidence in their chief is to be expected, if a fire chief is to remain in office. It is well known that I have a high regard for our fire chief, as a fire fighter.

"As the trio of councillors, in their statement, have removed privacy from a private meeting of the firemen they should have disclosed another resolution which was passed at that meeting. It was moved and seconded that those members of the fire department who, in a sincere effort to get more fire fighting equipment into operation as quickly as possible, had assisted me in getting our No. 3 fire tank truck into operation should be asked to hand in their resignations. These seven men including three officers stood up and identified themselves. This preposterous resolution was soundly rejected when it was defeated by a vote of 27 to 6. This vote clearly showed the small number of trouble makers in our fire department. The removal, if possible, of about two of the ring leaders should stop the trouble. However, it is to be hoped that this defeat will curb their activities in the future.

"There has been no countermanding by me of a council resolution regarding our No. 1 work's department truck with road oil tank. It was kept full of water for fire fighting until our No. 3 fire tank truck was put into operation. The steam cleaning of the oil tanker was held in abeyance, by me, as it would have been a sheer waste of the taxpayers' money to steam clean it before completing its road oiling work, this year. The oil tanker was needed as soon as it could be made available to complete this year's road oiling during the hot dry weather. After my taking emergency action in getting the No. 3 fire tank truck into operation, the road oiling has now been completed. Our No. 1

work's truck has now had the oil tank removed, until next year's road oiling, and this truck is now at work with a flat deck body.

"Having bought a No. 3 fire truck and a large capacity water tank for it, it would have been absurd to let it lie idle until the winter time, as the councillor trio suggested. Apart from other considerations, our road oil tanker truck would have been prevented from completing its job of road oiling, this year.

"It is my policy, as reeve, to get vital things done for our municipality, when they should be done, as economically as possible and in an emergency I must often take the responsibility of getting things done, without waiting to carry on lengthy arguments with certain councillors whose highest ambition appears to be to say 'No' to the reeve, if at all possible. When it is necessary for me to take such initiative, in an emergency, I naturally expect that each councillor will set aside any personal hates he may have and, at least temporarily, think municipally when dealing with municipal business. It is expected that my action, so long as it is rational, will be endorsed by the council. 'Yattering' about my taking emergency action in municipal affairs without prior council authorization is simply petty quibbling.

"If a large sum of ratepayers' money must be spent, in an emergency, then a special council meeting would be called, by me, if at all possible.

"My policy, as reeve, in an emergency is clearly stated and I will continue to follow this course when the occasion arises regardless of petty criticism.

"It is regrettable that there are a few people in our fledgling municipality who seem to be bent on stirring up as much trouble as they can, for reasons best known to themselves."

FEWER CARS FOR BRITISH PUBLIC

Progressively greater use of the motor industry's capacity for the production of vehicles for the armed forces, states Britain's ministry of supply, will be at the expense of production of civilian vehicles. Only 80,000 cars will be made available to the British public next year.

L.A. TO SALT SPRING LEGION LAYS PLANS FOR WINTER DANCE

The L.A. to the Salt Spring Island branch of the Canadian Legion resumed its monthly meetings for the season at Harbour House, Ganges, with the president, Mrs. Colin Mout, in the chair and 25 members present. A new member, Mrs. R. T. Testar, was installed. Letters of thanks acknowledging parcels were read from hospitalized veterans.

Mrs. George Lowe reported sending five parcels of clothing overseas during July and August and requested that a letter of thanks be written to Mr. and Mrs. Zenen Kropinski for their generous donation of new clothing to be enclosed.

Mrs. L. Parham reported sending gifts to three new babies of veterans' wives. An urgent appeal was made to members to turn in woolen articles and materials to Mrs. J. Catto, St. Mary Lake, to be made into blankets for the L.A. Welfare presents. Hospital and welfare committee reports were given.

A zone council meeting will be held at Duncan on September 21. Mrs. J. B. Acland reported on the zone council meeting held at Harbour House in June and also, at that meeting's request for a second delegate, consented to act in that capacity together with the present delegate, Mrs. Cecil Springford. Mrs. Adrian Wolfe-Milner gave a report of the L.A. tea committee's work at the June zone council meeting and picnic and, also, of its catering for the Legion Labour Day dance.

An appeal was made by the zone council for funds to assist with the furnishing of a room for aged veterans and chronic cases in Glass 6 Ward at the Veteran's Hospital, Victoria. With this object in view a stall will be held at Moutat Bros.

store on Saturday, Sept. 29, under the convenship of Mrs. J. H. Deyell.

Commitments of \$50 each to CARE parcels and Victoria Veteran's Hospital, were ordered paid, together with current bills.

Plan Dance
Mrs. A. B. Kropinski volunteered to organize a dance in November or early in December, proceeds to go to L.A. general funds. It was decided to undertake the catering and serving of the veterans' dinner with Mrs. George Heinekey in charge of arrangements.

The next meeting, October 9, and all future meetings, will be held in the board room of the Mahon Hall. A letter of thanks to Harbour House was ordered to be written expressing the appreciation of the organization for the use of a room in the hotel for meetings in the past.

Following adjournment of the business meeting, an interesting report on the L.A. convention in Port Alberni was given by Mrs. W. A. Treford, who acted as delegate from the organization.

ISLANDS POLICE COURT CASES
R. P. Nickerson, charged before W. M. Moutat, J.P., at Ganges, with theft of cordwood, was fined \$10 and \$5 costs.
John Lumley, charged with assault, was committed to a higher court.
Robert Findley, Galliano, was charged before Dr. T. E. Roberts, J.P., with refusing to deliver logs and committed to a higher court.
John Soomes, charged at Pender Island before Justice of the Peace Grimmer, was fined \$25 and costs for dragging logs on the highway.

THE GULF ISLANDS

MAYNE ISLAND

Miss Norma Greene left this week for Vancouver where she will start taking a business course. She has been visiting her grandparents Mr. and Mrs. W. Greene, for a fortnight.

Miss K. Garrick has been visiting in Victoria for a couple of weeks and returned Saturday with her sister, Mrs. Banks.

Mr. and Mrs. Maurice Greene arrived on Tuesday on a visit to their parents, Mr. and Mrs. S. Robson.

The quarterly church committee meeting was held at the vicarage on Wednesday, Sept. 12, at 8 p.m., with the Rev. P. Horsfield in the chair and nine members present. The meeting opened with prayers and after the minutes of the last meeting were read and adopted the general business was taken in hand. It was suggested by Mr. Horsfield that a harvest supper should be held in the community hall on October 10, and the ladies of the W.A. agreed to prepare the supper, while Mr. Salmon, Mr. Higginbottom and Mr. Vigurs superintend the other arrangements.

The P.T.A. of Mayne Island held a meeting at the Community Club Hall on Tuesday, Sept. 11. It was their annual meeting and the following officers were elected: secretary, Mrs. Horsfield; treasurer, Mrs. Morson; social convener, Mrs. Hedger. Through the efforts of the P.T.A. a sewing and dressmaking instructress has been secured from the U.B.C. and Miss Keyes started a week's lessons on Monday, Sept. 14.

PENDER ISLAND

Mrs. G. McLarty, of Vancouver, daughter of Mrs. E. Logan of Port Washington, came in Thursday, Sept. 13, to spend a few days with her mother, and visit with her brother, G. Logan, and his wife.

Mr. De Burgh, Jr., came from Vancouver to Port Washington, Thursday, then crossed over to Pender Island where he resides.

Mrs. P. Grimmer went to Vancouver for a few days.

Mrs. V. W. Menzies was substituting for one day in the school while Mrs. Dorothy Grimmer attended the funeral of one of her family, in Victoria. Mr. Grimmer accompanied her.

Mr. and Mrs. P. G. Stebbings returned Thursday after two weeks away, spending a week in Vancouver. Mr. Stebbings paid visits to Mr. Purdy in Victoria, and Bert Briggs and Mr. Lowe in Shaughnessy Hospital, Vancouver, and Ronnie Bracklin in the Rehabilitation Centre.

J. Newman, whose house was recently destroyed by fire, has been given the assurance of another house that will soon rise out of the ashes. The local Legion is working on a plan to build Mr. Newman another house, and the response to this appeal is being so well received that it will soon be under way. Gifts of materials of all kinds, and a subscription list, together with offers of help to build, is the real Pender Island spirit of neighborliness. The Legion means business.

Mr. and Mrs. G. Pearson left for a trip up Vancouver Island as far as Campbell River. Mrs. Pearson's brother, Mr. Oliver, will join them in Victoria.

Mrs. Fred Crisp has left for a few days' holiday.

Sister Laura, of the Anglican Church, has been visiting on the Island for a few days, guest of Mr. and Mrs. S. P. Corbett.

Mr. and Mrs. Cranswick are spending holidays here in their summer home.

Mrs. Smith, of Victoria, came in by launch Monday night and is visiting with her mother, Mrs. Annie Taylor.

Miss Keyes, of the University of British Columbia Extension Department, is spending a week here, giving a course in dressmaking. This is sponsored by the Women's Institute of which Mrs. H. G. Scott is president.

Mrs. Audrey Taylor came in Saturday noon, after being away over two weeks.

Mrs. Len Corbett and her family returned home after being away a week.

Bert Briggs and Mrs. Dumfries, his sister, returned from Vancouver on Saturday, Mr. Briggs having been in Shaughnessy Hospital.

the past week visiting her son-in-law and daughter, Mr. and Mrs. E. Robson, leaving by plane on Sunday to visit her son and daughter-in-law, Mr. and Mrs. T. Garner, in Duncan.

Mrs. Ryckman, of Victoria, has spent the past week visiting Mr. and Mrs. Arthur Lord.

Miss Kay Foster has returned to the Island and is again teaching the junior grades. She is staying at the home of Mr. and Mrs. J. Robson.

Mr. and Mrs. W. Patmore were the week-end guests of Mr. Patmore's brother and sister-in-law, Mr. and Mrs. G. Patmore.

Miss Ethel Smaback left by plane on Saturday to spend a few days in Vancouver.

Miss Mary Shopland, Vancouver, is visiting her parents, Mr. and Mrs. A. Shopland.

After an absence of several months, Harold Shopland has returned home.

Mrs. P. Higginson is visiting her brother-in-law and sister, Mr. and Mrs. George Rennie.

SOUTH PENDER

Peter Dobbin has returned to Victoria after spending three weeks with his parents, Mr. and Mrs. Henry Dobbin.

Mrs. R. McGusty left last week on the Princess Mary to spend a week with her son at Haney, and journey on to Britannia Beach before returning to South Pender.

Mrs. Spalding, Sr., is spending a few days at Ganges.

Mrs. Jennens entertained at the hall recently on the occasion of her birthday and her daughter Josephine's. A delightful evening was spent in dancing, with refreshments later.

Claude Connery has returned to the Island after his recent operation in Vancouver. He has recovered nicely.

Mrs. MacDonald is spending a week on the Island at her home here.

Larry Hume has left the Island to attend school in Vancouver.

Mr. Wellbanks has arrived ready to again take up his duties as supervisor for the correspondence school.

The Royal Canadian Navy ships have left Bedford Harbor for the season, the last of them sailing out on Friday the 14th. They will be back again about May.

Cox Bros. Logging Co. have moved out of Bedford, taking houses, and bunks to Texada Island. Residents wish them success in their new business venture and will miss them very much. They have been quite a part of South Pender life in the past four years.

Fishing is much quieter this year than last. Grilse are running very strong but salmon are quite scarce. However, everyone is getting "something".

Harvest thanksgiving supper will be held on Saturday, Sept. 23, in the hall, with services in the church on Sunday morning.

Mr. and Mrs. Geo. Windship have taken up permanent residence on the Island, and are "at home" to Islanders.

FULFORD

Mrs. Maxwell returned to Ladner on Saturday after an extended visit in Fulford with friends.

Miss Sylvia Jackson is home after a five-months' sojourn in Nanaimo, with the B.C. Telephone Co. office as headquarters.

Miss Gillian M. French arrived for the first time on Salt Spring Island on August 25. She is expected to stay for some time with her parents, Mr. and Mrs. John French.

Week-end guests of Mr. and Mrs. Coleman were Mr. and Mrs. M. Dawson, of Victoria; Mr. and Mrs. David Smith, formerly of New Zealand, now living in Vancouver, and Mr. and Mrs. Leonard Evans.

MUSICAL CONCERT ENJOYED AT FULFORD

Mr. and Mrs. R. Coleman, of Fulford, were hosts at a musical concert on Thursday evening.

Ralph Keibert gave a brilliant performance of "Meditation" by Thaise, "Serenade", "Clare de Lune", "Española" by Sarasate and Der Maistersinger by Wagner. His perfection of technique on the violin showed many years of study. The entire audience received each number with enthusiastic applause.

Those attending were: Mrs. G. Maude, Mrs. Warren Hastings, Mrs. James, Mrs. Dickens, Mrs. Peterson, Capt. and Mrs. McDonald, Doreen Kitchen, Mrs. A. Davis, Misses B. Hamilton and Georgina Hamilton. Mrs. Coleman served refreshments during the evening.

arrived last week from Seattle to spend a few more days at their summer home, Vesuvius Bay, had as their week-end guest, Mrs. C. C. Busch, Vancouver.

Mrs. C. H. Trafford left Ganges on Wednesday to spend two weeks in Victoria, a guest at the "Old Charming Inn".

POWER means PROGRESS

Progress towards better living for thousands in growing British Columbia is reflected in the steady, carefully-planned growth of the B.C. Power Commission.

The expansion of the Commission's activities—an investment in and for the people of this province—during the past year is outlined and tabulated in the illustrated ANNUAL REPORT

The report, just released, contains a complete summary of the Commission's operations in its sixth year of existence. Low cost power has been and is being brought to rural areas of B.C. and has been a major factor in attracting new industries to our booming province.

Facts, figures, charts and photographs are blended into a comprehensive picture of your business.

Copies of the report are available by writing to
The Secretary, B.C. Power Commission, Box 550, Victoria, B.C.

HOW MUCH SHOULD I HAVE BEFORE I MAKE A WILL?
\$5,000? \$10,000? \$100,000?

Anyone who has a bank account, owns a few bonds, a motor car or a home, SHOULD HAVE A WILL.

Only by making a Will can you have any say about how your possessions will be distributed, or income arranged for the benefit of your family.

It is of equal importance that you choose an executor and trustee who does not become ill, or does not die, or go on extended trips.

By appointing THE CANADA PERMANENT TRUST COMPANY your Executor and Trustee, you are assuring your estate of experienced management and sound business judgment, by a group of men each an authority in his particular task.

Your family is freed from many complex and exacting duties which few individuals are equipped to perform.

May we help you?

FESTIVE—quick to fix!
with Modern Fast-Acting DRY Yeast!

FAN TANS
Measure into large bowl, 1/2 c. lukewarm water, 1 tsp. granulated sugar; stir until sugar is dissolved. Sprinkle slowly with 1 envelope Fleischmann's Fast Rising Dry Yeast. Let stand 10 min., THEN stir well. Scald 1 c. milk and stir in 5 lbs. granulated sugar, 2 tsp. salt; cool to lukewarm. Add to yeast mixture and stir in 1/2 cup lukewarm water. Beat in 3 c. once-sifted bread flour; beat well. Beat in 4 lbs. melted shortening. Work in 3 c. more once-sifted bread flour. Knead until smooth and elastic; place in greased bowl and brush top with melted butter or shortening. Cover and set in warm place, free from draughts. Let rise until doubled in bulk. Punch down dough in bowl, grease top and let rise again until nearly doubled. Punch down dough and roll out, half at a time, into a rectangle a scant 1/2" thick; lift dough, cover with cloth and let rest 5 min. Brush with melted butter or shortening; cut into strips 1/2" wide. Dip 2 strips together; cut into 1/2" pieces. Place cut-side up in greased muffin pan; separate slices a little at top. Cover and let rise until doubled in bulk. Bake in hot oven, 400°, 15-20 min.

Always running short of yeast because it spoils so quickly? End this nuisance—switch to modern Fleischmann's Fast DRY Yeast! Keeps full strength and fast-acting right in your cupboard—no refrigeration! No new recipes—one package equals one cake perishable yeast in any recipe.

The Wise Gardener

Notes From Saanichton Experimental Station

Squash and pumpkin may be gathered now and placed in storage. Long keeping varieties of squash in particular, such as the Hubbard and turban types, which are widely grown for use during the winter and spring months, should be handled very carefully during harvesting to avoid bruising or otherwise damaging the fruit.

Decay often originates from a bruise or scrape and poor keeping quality is often traced to mechanical damage to the fruits.

The most important consideration is providing good storage conditions for squash is that they be dry and airy. For that reason the fruits should not be piled high, but rather laid on slatted shelves, and with large fruits, it is a good idea to see that they do not touch their neighbors. This will tend to keep isolated any rot root which does develop.

Cool temperatures are also desirable to keep moisture loss from the fruits at a minimum.

It has come to the writer's attention that some varieties of hyacinth flowers in and around Victoria lose much of their color intensity when the bulbs are replanted in certain different soils.

The fact that this condition has not been observed in the Station's plots, where about 30 varieties are maintained, is probably attributed to the annual practice of fertilizing the bulbs whether or not they are lifted and replanted each year or left down for one or several years.

Some support for this contention also comes from fertilizer tests with hyacinths in U.S.A., where it was shown some varieties, "Gertrude" for example, produced superior color when the fertilizer was added about the time root growth started. For our conditions this would mean applying the fertilizer at planting time or shortly after, depending on the rate of availability of the fertilizer.

The fertilizer used at the Station for a number of years has been the formula 8-10-5, and it may be purchased at most feed and seed stores by quoting this formula. The amount used is 1000 pounds per acre, or for small plots about 24

Jamaicans To Receive Aid

Receipt of an appeal from The Canadian Chamber of Commerce for co-operation in publicizing the Relief Campaign being carried on, on behalf of those who suffered great hardships as a result of the hurricane in Jamaica, was announced today by Commander F. B. Leigh, secretary of the Sidney and North Saanich Chamber of Commerce.

The Chamber's letter, it was pointed out, explains that a National Canadian Committee has been formed to collect contributions to the Governor of Jamaica's Hurricane Relief Fund. Headed in Montreal by James Muir, president of the Royal Bank of Canada, other committees have been organized in Toronto, Vancouver and Halifax. Purpose of the fund is to secure financial aid to meet Jamaica's immediate need for food and rehabilitation. Financial contributions to this fund will be accepted by any branch of the chartered banks.

"The appeal from the Canadian Chamber," said Commander Leigh, "reports that relatives and friends of many Canadians have been touched by the Jamaican disaster, and also that an opportunity is afforded to lend a hand to a sister organization — The Chamber of Commerce and Merchants Exchange of Jamaica.

"I feel sure this appeal will stir the sympathetic interest and desire to help of local citizens," he concluded.

CANADIANS SAIL ACROSS ENGLAND

Rev. Father J. E. McGraine, parish priest of Lac la Biche, Alta., and his crew of four sea cadets, recently sailed their home-made 32-ft. launch 500 miles across England. Teen-aged crew consisted of Jack Wolstenholme, Harold Klein, Wilf Woychuk and Romeo Leboeuf. Through hundreds of locks, they travelled from Liverpool to Manchester, Birmingham, Nottingham, Leeds, down the Grand Union Canal to the Thames at Brantford, and on to London.

The Birth of a Profession

How the practice of the healing arts first came into existence is unknown. Undoubtedly a sickness prompted someone to do something for an ailing friend or relative. The value of herbs may have been discovered by accident or by observing the habits of sick animals. Pharmacy had its birth when the first herb was processed prior to administration. Today no profession is more highly specialized. It is based on scientific fact. Centuries of medical progress and years of experience and formal education form the background for the service rendered by pharmacists of today. We appreciate the opportunity to serve.

"IF NOT - - - - ?"

A Community Chest Appeal

(By H. B. Binny, Campaign Secretary, Greater Victoria Community Chest Campaign.)

The very biggest of jobs is never quite as forbidding—never looks quite as impossible to do successfully—if a lot of people are in on it. Faith, alone, never has and never will move mountains; it must have human expression.

The Greater Victoria Community Chest has a very big job this year; bigger than ever before. The budget is one-third higher than in 1950. It has attained those figures which, from the individual standpoint, are scarcely worth discussing. The individual is quite justified in thinking that, alone, he or she is helpless to make any impression on those figures.

But this is a Community Chest. It is as much a community matter for donors as for recipients. As has already been pointed out, the large requirements can and will be met if everybody assists. Such assistance may involve a little sacrifice, a little self-denial. Not very much. But a little.

If such assistance is forthcoming, the quota will be met. Those such as the youngsters above will get their daily bread—daily for the next 12 months. If not . . . ?

Only Survivor

Let us call him Teddy. I don't honestly remember whether that was his right name. Quite some years ago Teddy was the only survivor of a fire which destroyed his home, killed his father and mother and left his little sister with injuries from which she did not recover. Teddy was cared for by the Children's Service. Today he is as healthy and intelligent a lad as any. Recently, he won a school scholarship. He is a credit to the community which restored to him all the things that misfortune threatened to take away. Of course, this cost money: love and kindness in the practical sense usually do. But, if the Children's Service had not had the money what would have happened to Teddy?

Quite obviously, if the financial requirements of the Member Services are not met, the Services will themselves have to be cut down. Maybe, the nursing staff will have to be reduced and, if this is done, the number of visits will, in turn, suffer. Someone may even die through lack of care.

Action

Surely, such things are worth some thought? Surely, even, they are worth more than thought? Are they not worth action: action to prevent their occurrence?

There are 43 clients of the Canadian National Institute for the Blind in the area between Deep Cove and the city. Continuation of service to

them depends on the successful outcome of this year's Community Chest appeal. It is just the same with the registered patients of the Canadian Arthritis and Rheumatism Society who live on the Saanich Peninsula.

A great deal of organizational work has been done. Help is needed to carry it into practical effect. If you will help with canvassing on October 1, just give us a call. Garden 0581 is the number and you are guaranteed an answer anytime between 9 a.m. and 10 p.m. Or call in to the office at 647 Yates St. when you are in town. Just one or two hours in a year is all Community Chest asks.

Egg Supply Shows Steady Rise

Egg and poultry market report, as supplied by the Dominion Poultry Products Inspection and Grading Service, Vancouver, follows:

Producer price dropped three cents on grade "A" medium and five cents on grade "A" small this week; wholesale two cents and four cents, respectively. Medium were clearing fairly well, while smalls were in surplus, with some operators short-holding these. Local and shipping sales are increasing. Receipts held steady.

Ample supply of light and heavy chicken is arriving and a heavy volume of fowl is offered. Prices are holding on chicken, though they are down and unsettled on fowl. Sales are up slightly. U.S. poultry imports consisted of two carlots of fowl.

SCHOOL FOR BONIFACES

At Ross Hall, a mansion on the outskirts of Glasgow, Scotland, men and women of many nationalities are learning the fine points of hotel operation. During a two-year course they acquire the art of cooking and get a thorough training in hotel service and theoretical instruction in secretarial and academic subjects. This is followed by three months' practical training in a hotel approved by the school.

Vets' Dominion President Is Victoria Speaker

Numbers of members of Sidney Unit of the Army, Navy and Air Force Veterans, headed by President J. Milling, J.P., visited the Victoria Unit on Friday evening to meet Dominion President A. J. Wickens, K.C., and hear him speak.

Major Wickens stated that his organization will in future team up with the Canadian Legion and other Canadian veterans' organizations for the presentation of briefs to the federal government.

The all-veteran delegation will go after an increase in the basic pension from \$93 to \$125 per month, removal of all means test for the "burned-out" pension and hospital care for veterans for other than pensionable disabilities.

No Federal Hay For Farmers In Drought Area

Hon. Harry Bowman, provincial minister of agriculture, has just advised the B.C. Federation of Agriculture that the provincial government have decided not to take any action to alleviate the hay shortages in the drought areas of the province nor to make the formal request to Ottawa suggested as a necessary step towards federal government freight assistance on hay.

This decision was in answer to the dairy farmer representatives from Vancouver Island and the lower mainland who appeared as a delegation before him last week asking for the above action by the provincial government.

Adequate Stocks

As his reason for this lack of action Mr. Bowman gave the fact that as a result of the survey made by his department's district agriculturists, it would appear as though there would be adequate stocks of hay available within the province.

He was also of the opinion that the desire for freight assistance on hay during the emergency period was not unanimous among all farmers in the drought area, as a number—especially from southern Vancouver Island—had approached him opposing the idea.

Another governing factor in Mr. Bowman's decision was that he had been advised by E. C. Carr, chairman of the milk board that if any freight assistance on hay was granted his board would have to take that into consideration in arriving at any increased price for fluid milk.

TO OPEN ONTARIO FLOWER SHOW

The Mayor of Leamington, Alderman O. R. Davidson, has been asked to open the flower show at Leamington, Ont., when he visits there on September 24.

Foiled!

Rabbits on some western farms are leading frustrated lives these days. The succulent bark of their favorite fruit trees has been wrapped in aluminum foil, so now they can't get at it.

This was a new one on us. We had heard of dozens of uses for the foil we roll at Kingston, Ont., but never for frustrating rabbits. However, it just goes to illustrate why more people are using more aluminum and why we, as the most efficient producer of this modern metal, must go on expanding. Aluminum Company of Canada, Ltd. (Alcan).

how many
managers
do you know
personally?

Look around you! There are quite a few of them. Some manage stores, the corner grocery, the barber shop, the drug store—some run service businesses, the shoemaker, the doctor, the dentist, the service station operator. You probably know someone who operates a larger business too.

Just think about them for a minute. By-and-large aren't they decent respectable people, wanting the same things out of life that you do. By-and-large don't they treat their employees well and do the best they can with the business they have?

You wouldn't believe a stranger telling you lies about someone you know well! And generally speaking you discount malicious gossip about casual acquaintances, so when you hear managers in general criticized the only fair thing to do is to compare them to the ones you know.

If you do, isn't it likely that they are, on the whole, a pretty decent group of people?

New Sansbury School Opens Doors To 25 Pupils

First school to be completed under the new building program of Saanich School District No. 63, Sansbury elementary school opened its doors for the first time at the start of the fall term in September. A total of

25 pupils in grades 1, 2 and 3 are attending the new school which is in charge of Miss Margaret Whyte, of Victoria.

Authorized by a by-law vote in 1950, the school building program is being pressed by the trustees and other new educational centres throughout the district will shortly be opened.

The new school, located on Moxom Terrace, between East Saanich Road and Lochside Drive, was named in honor of R. A. Sansbury, veteran school trustee and long time employee of the Saanichon Experimental Station. He turned the first sod in construction of the building this spring.

The one-roomed school was completed and furnished at a cost of around \$20,000. It was planned to permit of additional rooms as population growth in that area takes place.

Members of the trustee board have expressed themselves as well pleased by the speedy and competent job done by all contractors in the construction of Sansbury school. It should serve its expanding community well for many years to come.

SEPTEMBER MEETING OF FULFORD W.I.

With Mrs. A. Davis in the chair, the meeting of the Fulford W.I. was held recently.

The hospital committee reported receipt of a letter from Lady Minto Gulf Islands Hospital acknowledging the gift of \$37 for redecorating the men's ward. A discussion followed on repairs of the hospital clock.

KEATING on EAST SAANICH ROAD

— PHONE: Keating 61 —

As the next meeting is the annual one, it was agreed to hold it in the Fulford Community Hall on October 2. Mrs. Kay will be tea convener.

Refreshments were served by hostess of the day, Mrs. Townsend. Members present were Mrs. Maxwell, Mrs. Kay, Mrs. F. Reid, Mrs. M. Lee, Mrs. Townsend, Mrs. H. La Violette, Mrs. P. C. Mollet, Mrs. J. French, Mrs. A. Davis.

Conservatives Fete Member At Harbour House

A luncheon, organized by the Salt Spring Island Progressive Conservative Association and attended by about 50, was held last Wednesday afternoon at Harbour House, Ganges in honor of Major-Gen. G. R. Pearkes, V.C., M.P., and Mrs. Pearkes. Also present were Wing Comdr. and Mrs. Cecil Holmes, Mr. and Mrs. R. D. Harvey and J. A. George.

Mrs. F. C. Turner presented Mrs. Pearkes with a corsage.

Luncheon was followed by a general meeting of the Conservative Association with the president, Lieut.-Col. Desmond Crofton, in the chair and 75 present.

Wing Comdr. Holmes spoke on the Coalition government in B.C., R. D. Harvey on the Islands riding, and Gen. Pearkes on federal affairs and especially about the high cost of living and pensions.

Both luncheon and meeting were most successful, great enthusiasm being shown at the latter.

A general meeting of the Salt Spring Island Conservative Association will be held on the island in November.

P.-T.A. Organized At Fulford

The first meeting of the Fulford P.-T.A. was held on Sept. 10 in the Fulford Hall, with Mrs. Fred Jackson in the chair. It was decided that the name of the new branch be Fulford P.-T.A. and it will include Isabella and Beaver Point.

It was agreed to send postcards out to all members just before each meeting to assure a good attendance. Membership fees will be collected at meetings. In order to raise needed funds for the new branch, members decided to hold a canasta and "500" party on Saturday, Sept. 22, at 8.30 p.m. in the Fulford Hall. The meeting was adjourned and refreshments served. Mrs. J. Bennet and Mrs. A. Bennet were tea conveners.

Next meeting will be held on October 8.

St. Mary's Guild Active At Ganges

The quarterly meeting of St. Mary's Guild was held recently at the Salt Spring Island home of Mrs. A. J. Hepburn, with the president, Mrs. W. W. Hipsley, in the chair; Archdeacon and Mrs. G. H. Holmes and 12 members present.

The treasurer's report showed a balance of \$299 from which the following donations were voted to be sent: \$50 to the mission fund; the usual quota towards the vicarage taxes; \$100 to Reverend Arthur Holmes for his mission at Tofino; \$50 to the Indian mission in northern Saskatchewan of Archdeacon Paul, who preached last Sunday at St. Mary's church, Fulford, and \$35 towards paying the balance on the work on the new porch at St. Mary's church. It was arranged for members to decorate the church on Saturday, Sept. 29, for the Harvest Festival the following day.

Ten was served by Mrs. A. Davis and Mrs. Alexander McManus.

The next quarterly meeting will be held on Tuesday, Jan. 8, at "Rosenbush," the home of Misses Gladys and Cree Shaw.

Appointment

C. W. HALFORD

C. W. Halford, B.C. Telephone Company assistant general commercial manager at Vancouver since 1945, has been appointed to the newly-created position of division commercial manager at Victoria in charge of all Vancouver Island offices, according to an announcement by W. S. Pipes, general manager.

The general manager's announcement states that the establishment of Vancouver Island as a separate division and Mr. Halford's appointment recognize the growing importance of the capital city and Vancouver Island in the company's operations.

R. W. J. Angus, district commercial manager at Victoria since 1949, has been appointed division commercial manager at Vancouver in charge of all mainland offices. J. A. Mackintosh, formerly assistant to the district commercial manager, has been appointed district commercial manager at Victoria.

Mr. Pipes also announced the promotion of Gordon L. Frost from the position of assistant general commercial manager (engineering) to the position of general commercial manager. He succeeds J. D. Johnston who will continue with the company in a consulting capacity for a short period prior to his retirement on pension.

Harold G. Bourne, development engineer and a former Victoria man, has been promoted to the position of general commercial engineer.

A veteran of 35 years with the B.C. Telephone Company, Mr. Halford is well qualified for his new position, having held the posts of paymaster, auditor of receipts, commercial supervisor, district commercial manager and assistant general commercial manager at Vancouver during his long telephone career.

Golden Syrup For Golden Wedding

Marking the golden wedding anniversary of Mr. and Mrs. George Menelaws, 755 Queens Ave., Sidney, Mr. Menelaws was presented with a five-pound can of golden syrup at a meeting of the choir of St. Paul's United Church on Thursday evening of last week.

The presentation was made by Frank Aldridge.

Mr. Menelaws is president of the church choir.

The occasion was belated owing to the absence of Mr. and Mrs. Menelaws for several weeks, while they enjoyed a holiday at Bowen Island and on the mainland. They were married in Edinburgh on August 6, 1901, and left their home town for Victoria 10 years later. For 26 years Mr. Menelaws was engineer in charge of the heating plant at Famous Players' Theatres in Victoria. He retired several years ago, coming to live in Sidney the day after his retirement.

and Mrs. Percy Lowther, Vesuvius Bay.

After ten days' visit to Vesuvius Bay, guests of Mr. and Mrs. J. G. Jensen, the Misses Greenfield returned on Thursday to Vancouver.

J. Peace, Miss E. Kidd, Miss F. Thompson have arrived from Vancouver and are guests for a week at Harbour House.

Dick Hamilton left Ganges on Saturday to visit his aunt, Mrs. W. Peppers, for two months at Edmonton.

Mr. and Mrs. J. Monk returned to Oak Tree Island, Ganges Harbour, after a three weeks' holiday visiting relatives and friends in Vancouver and Seattle.

The Catholic Women's League resumed its meetings last Tuesday following the summer holidays, at the home of Mrs. George St. Denis, St. Mary Lake, with the president, Mrs. R. T. Britton, in the chair. The afternoon was given up to discussing plans for the coming season, and tea was served by Mrs. W. Jameski and Mrs. La Violette. The next meeting will be at Fulford, October 9.

George Meyer, R.C.M.P., who has been transferred to Alberni after a year as constable at Ganges, left the island for his new post last Wednesday.

W. McCaskell returned on Thursday to Victoria after spending a few days at Harbour House.

Prominent members of the United Church in Sidney, the couple are well known in the town of their adoption. Mr. Menelaws is an artist of no mean repute. His skill is constantly sought by organizations of every kind in the area.

LADIES' GUILD IS ORGANIZED

At a meeting of the ladies of South Galiano, held on Thursday evening, Sept. 13, at the home of Mr. and Mrs. B. P. Russell, the Ladies' Guild for the new church of St. Margaret's was formed. Miss Kay Foster was elected president; Mrs. D. A. New, vice-president; Mrs. G. Dalrymple, secretary, and Mrs. F. E. Robson, treasurer.

The initial work for the guild will be on furnishings for the church and the first meeting of the workers will be on Wednesday, Sept. 26, at the home of Mrs. Dalrymple who is in charge of the needle work.

Salt Spring C.W.L. Continues Active

Treasurer's report at the Catholic Women's League meeting at the home of Mrs. G. St. Denis, recently, showed a very satisfactory return from the teas and sale of work. Plans were laid for helping needy families in the community.

It was agreed to hold card parties and basket auctions as social events.

Mrs. Lamb, Mrs. St. Denis, Mrs. Carlin and Mrs. Britton reported on the successful convention at Port Alberni. Credit for the success of the conference was given to Mrs. Smith of Port Alberni.

Greetings were extended to a visitor from New Westminster. Mrs. Lamb and Mrs. Lutton were named tea conveners for the next meeting.

Those present included: Mrs. W. Jameski, Mrs. E. Brenton, Mrs. R.

Britton, Mrs. H. Carlin, Mrs. H. La Violette, Mrs. McDonald, Mrs. G. St. Denis, Mrs. Dods, Mrs. M. Gyves and Mrs. Summerville.

The next meeting will be held in Fulford.

MORE ABOUT FLEET MARE

(Continued from Page One)

She won by five lengths and could have run the last eighth on her knees. She missed a track record by a fifth of a second. Just a cheap claimer, you see.

It has been suggested that at a two mile distance La Mouche could give the average \$10,000 horse four lengths and run over him. Throw in a little mud and she'll whip some of those \$20,000 babies.

"We used to think the only thing that made La Mouche a contender was Willie Slocum," the Allens said. "Each time we had to try another jockey, the mare refused to run."

"When Willie left for the prairies, we were frantic. Then we tried Hank Matthews. You know, something we believe, Hank knows more about this horse than we do. We were almost ready to scratch her in that second two-mile on Labor Day. But Henry said no. 'Leave her in there,' he told us, 'and we'll win without even working hard.'"

La Mouche is sort of an oddity around the track because of her ability to step into real tough company and knock off the long distance pots. The Allens have never tried to convince themselves that their pet was anything but a \$1200 claimer. Yet, when the conditions are right, they can knock down a few of the better prizes, too.

The mare comes by her oddities naturally. Her mother is a rare one, too. La Nimba springs a foal every two years, just as precise as a clock.

The Allen stable is testimony to La Nimba's timing. La Mouche is the youngest, a two-year-old. Rex Nimbus is four, La Mouche six.

"Ma," incidentally is 18. She's still over there at Sidney and if you can believe the Allens, she can still outrun her kids when she feels like it.

Sort of one big, happy family, wouldn't you say?

Battery Parades To Resume On September 20

Regular weekly parades of 156 Battery (Sidney) 75th (B.C.) H.A.A. Regiment R.C.A. C.A. (R.F.) will recommence Thursday, Sept. 20 at 8 o'clock at the Armoury, Patricia Bay Airport.

During the annual summer "Stand Down" several members of the local unit attending Active Force courses brought high credit to themselves and to the unit.

Officer Cadet J. Lott completed the first of two phases of the Officers Contingent Plan for qualification of officers in the Canadian army and stood first in his class.

Sgt. M. F. Connor attending the annual regimental summer camp held at Albert Head, was selected as the N.C.O. showing most marked progress during the course.

Gunnery P. R. O. Dalton and D. E. Watson qualified as trained soldiers (basic subjects) at the Basic Training Course held at Currie Barracks, Alberta, which was conducted by members of P.P.C.L.I. active force.

PATRICIA BAY

C. E. Bird, of Gordon Head, visited friends here last week.

H. C. Humphrey returned to his home in Vancouver after spending the summer months with Mr. and Mrs. Phil Nanson.

Mrs. Reubin Peet, of Prince George, paid a visit to Mr. and Mrs. Ernie Howard.

Bishop Pierce and Rev. Roy Melville enjoyed an afternoon's fishing here last week. Mr. Melville got a nice spring salmon but the Bishop had no luck.

Mr. and Mrs. Irwin, of New Westminster, are spending a few days' holiday with the latter's sister and brother-in-law, Mr. and Mrs. Ernie Howard.

DEEP COVE COUPLE IMPRESSED WITH HISTORIC OREGON

Capt. M. D. A. Darling, of Deep Cove, is enjoying a holiday with Mrs. Darling in Oregon.

He writes a most interesting letter to The Review of his Oregonian visit. The letter follows:

"We've become 'desert rats'—almost on intimate acquaintance with desert rattlers, there being an abundance of these in this vast Eastern Oregon desert area. A fortnight's wanderings east and west, north and south, through this amazing country of gorge, canyon, desert, range, orchard, wheat, forest, sheep beyond counting, elk herds and desert swamps alive with migratory birds, is all such a seemingly vast contradiction of itself, that we just ask ourselves why we never came here before.

"It's a paradise of contrasts, and seemingly illogical contradictions. It's steeped in the history of the Oregonian pioneers who trekked from Boston and eastern U.S.A. in 1843 onwards. The shadow of the Hudson's Bay explorers, voyageurs and trappers is still here with remains of an old Fort on the Snake River.

"Deserted towns, left over from the gold rush days of early sixties—towns that teemed with thousands of people wild and wide open, and yet the crumbling remnants contain the outline of an opera house, three story hotel with gold quartz used and embedded in the steps of its front entrance—present registrants pack rats and a few of our rattler acquaintances.

"This letter has no room for details of the old Pony Express points and ranch houses, which still exist on some of the main auto roads, and others away off on lesser accessible gravel roads. There are great stories and still living pioneers of these riding, Indian-fighting, bandit-shooting and wild-marauding days.

"The weather and climate are perfect at this altitude of around 4,000 ft. though a baking hot dry 85° in the shimmering haze heat all day, we have a cozy gas fire to—

In and AROUND TOWN

Mrs. Geo. Murrie, of East Saanich Road, will visit her children in Edmonton and Lethbridge, Alta., for the next month.

The Deep Cove Community Club held a very successful picnic at the Experimental Farm on September 3.

Mrs. A. Bell, Fifth St., and son, Sidney, together with her sisters, Mrs. S. Weare, New Westminster, and Mrs. W. Craig, North Vancouver, all met on Tuesday last at the home of their mother, Mrs. H. M. France, Marine Drive, to celebrate her 86th birthday. Mrs. France enjoys excellent health and still does all her own baking and makes her own bread.

Last week Mr. and Mrs. Harry Tobin and family, of Fourth St., motored to Seattle for a short vacation.

On Sunday, Capt. and Mrs. R. Wyllie, of North Vancouver, celebrated their sixth wedding anniversary at the home of Warrant Officer and Mrs. C. L. Grover, R.C. A.F., Patricia Bay. Among the guests was WO2 E. Jerrett of Halifax, N.S., who is chief engineer on the "Snowbird", which arrived recently from the western Arctic.

The Ven. Archdeacon and Mrs. W. Dacre Hensell of Lovena, Sask., the Rev. Robert Douglas of Saskatoon, Sask., and Ven. Archdeacon J. Irwin, Victoria, now of Sidney, were guests at the home of Mr. and Mrs. W. Thompson, Third St., during the past week.

MORE ABOUT COUNCIL

(Continued from Page One)

Referred to the police was a complaint of speeding in the Beach Drive, Peden Lane, Verdier Ave. area. A letter from Lewis Reece complained of the use of the roads in that area as a "miniature Brooklands". Brooklands was a famous car race track in Britain prior to the recent war.

Cesspool
Further attention was given to the possibility of a comfort station at Verdier Park. The reeve drew the attention of the council to the problems accompanying such a structure. Without supervision it was liable to become a "cesspool of iniquity", he observed. The Saanich Chamber of Commerce, represented by Ed Logan, asked for funds towards the erection of the station and promised responsibility for its maintenance. The council was appointed a committee as a whole to enquire into the action taken by other councils in the area.

All resolutions presented to the council must in future be written to prevent confusion at a later date. Such a ruling has been recommended by various members of the council in the past and on Tuesday evening it was finally put into practice. Mimeographed sheets were available for this purpose.

A letter was read from Fire Chief Art Bolster acknowledging receipt of No. 3 fire truck and expressing the gratitude for its preparation.

A report on the sea wall at Island View Beach was presented by Councillor Ray Lamont. The council decided to forward the report to Ottawa and to urge that further attention be given as soon as possible.

ASSISTANT STEEL CONTROLLER HERE

SIDNEY BOWLING GREEN

STILL SOUGHT BY SIDNEY BOWLERS

Several months ago the call was sounded by Sidney Rotarian Eric Vickerman for the formation of a bowling club and the construction of a bowling green in Sidney district.

There was little or no response to the suggestion put forward by Mr. Vickerman.

Despite this lack of response there is still a large number of people in the Sidney and North Saanich area who would appreciate the use of the facilities of such a green.

On numerous occasions the matter has been raised to The Review. No individual is interested in proceeding alone on the costs and problems are difficult for one man to assess or overcome.

The original call by Mr. Vickerman is still being sounded and he will accept the names of any who wish to take part in the formation of a bowling green in the locality. Residents are invited to communicate with either Mr. Vickerman at Ardmore Poultry Farm, or George Menelaws, Queens Ave.

Ladies Enjoy Tea At Samsbury School

Ladies in the district of Samsbury school met at the school after classes on Tuesday, Sept. 18, to welcome the new teacher, Miss Margaret Whyte, of Victoria, to the district, and also to view the new building.
